

Borah High's 1st Annual Luau Dinner, March 12, 2011

Dear Borah Alumni, Businesses, Neighbors and Parents,

Borah High is hosting its first evening dinner/auction March 12, 2011 to celebrate over 50 years of Lion Pride. It's time for Borah to reach out to our stakeholders, gather the Lion Pride and celebrate our successes over the years!

We have a lot of fans and supporters out there, but we need an organization to channel these energies and gifts. One of the intentions for the event is to gather those interested in creating a Booster Board that will start meeting Spring 2011. This new Borah Booster umbrella group will support Academics, Activities and Athletics.

We ask for your help in securing donated item(s), services, or money donations for the silent and live auctions. Ideas include: themed gift baskets, local gift certificates, tickets to popular events or travel, special skills you might have, use of a condo or cash donations.

Donors/Businesses will receive recognition on the bid sheets at the event, on the evening program and on name tags should you attend the event. Tax receipts will be sent once the donated item is delivered to Borah.

Thank you for supporting the Lions,

Luau Dinner Auction Planning Committee
